

3000 PAPR

Powered Air Purifying Respirator

HEALTHCARE SECTORS

Innovative all-in-one respiratory and face protection with enhanced comfort and performance.

The PureFlo 3000 PAPR is the new breed of industry leading all-in-one NIOSH approved air-purifying protection systems. Our next evolution of all-in-one respiratory, eye, and face protection is lighter weight with a lower profile. Enhanced features for maximum mobility and simplified use make it ideal in healthcare & emergency response environments for protection against respiratory respiratory hazards. Available with Tychem® face seal, respiratory drawstring hood or disposable slipover hood for enhanced splash protection.
